STANDARDISED PRICE LIST - Explained

Please note that this document has been created by Ivor Thomas Funerals Limited and has not been endorsed in any way by the Competitions & Markets Authority.

ATTENDED FUNERAL (funeral director's charges only) **£2890.00**

Why are the fees different to what else you have on your website?

The Competitions and Markets Authority have instructed all funeral directors to create a standardised price list to make comparing funeral directors easier for the public.

This fee does not include any third party costs (crematorium/cemetery, church, minister etc), and should include our professional fees, the Collection and care of the deceased, a coffin (we've used our Gwent Coffin), a viewing, a date and time that you agree with, suitable transport (we've used an Black Hearse) and enough people to pall bear (we've quoted for four).

This does not mean that you need to have everything stated above, remember, we will tailor each funeral to your individual needs; meaning you don't pay for what you don't use.

UNATTENDED FUNERAL

This is a funeral where family and friends may choose to have a ceremony, event or service for the deceased person, but they do not attend the burial or cremation itself.

Burial (these are just our fees, you will also need to add any burial and grave purchase fees) **£1245.00**

Cremation (we've quoted for Thornhill Crematorium but there are various crematoriums for you to choose from) **£1550.00**

FEES YOU MUST PAY

Why do the fees vary so much?

Because we operate throughout South Wales (there are four local authorities within 15 minute drive from us), we wanted to make sure that we quote all the fees that may be applicable.

Please discuss any **specific religious, belief-based and/or cultural requirements** that you have with the funeral director. *Please just call us to discuss anything you may want.*
